

"WITH THE COLORS"

8/26/18

Nellie Fleming
Dear little wife

all honey I will drop you another
as I am all o.k. and hope you
as good as I am I dreamed of
the last night all night ever
I would go to sleep I would
dream about you I would love
see you baby the best in the
old and I think I will before
long from the looks of
my, ever thing is looking good
me right now. honey how
you making it any way are
getting your money regular
has them insurance papers
yet or not and how a
at my liberty bond have
you sent it to you yet. I
expecting to get a letter
from little wife

get it till to morrow I shure do
 hope there is some for me for
 havent had a letter in 3 weeks an
 over but I dont mind it so much
 now like I did at Travis for I know
 it is so uncertain here and we
 dont stop long enough in one
 place for ~~to~~ ever mail to catch
 up with us but I think it will
 come a little more regular now
 and honey ~~at~~ even if I cant write
 ever day you can and you must
 write ever day if you can for I
 want to know at all times how
 you are and what you are doing
 it dont take much time to write
 a few lines and you have plenty
 of time at home. and I dont suppose
 there is any place for you to go
 only stay at home how is all the
 folks all well I suppose have you
 heard or seen ~~any~~ thing of
 Alice or Minnie keep them
 posted as to how I am and
 ever thing honey for I dont

"WITH THE COLORS"

3
much time to write or any
else so you can help me by
ing them about one I want to
home the first of the year at
but I don't know that I will
my wants but we will hope
the best any way wont we
up gee I hope I get about a
letters to snow now from
telling me you are alright
is Ruth and Roy making
now and when is noma and
going to tie up. O yes honey
haven't heard any thing of
and Bessie yet have you
at they are at webb City or
but you don't need to hunt
up they will show up some
and I don't want you to

me home O yes honey did
 I get my trunk and things
 to minnie and alice or have
 been over yet after them. Well
 I had better ring off for it is
 dark and we cant have light
 cant see much longer so be
 little girl and try and make
 best of it for the one who loves
 dearer than all the world. I
 say good by with a million
 and kisses and ever things
 I remain for ever your
 and loving Husband.
